

The logo banner for NANOMETA 2013 features a white background on the left with the text 'NANOMETA 2013' in a bold, black, sans-serif font. Below this, in a smaller font, is '4<sup>th</sup> International Topical Meeting on Nanophotonics and Metamaterials'. The right side of the banner is orange and contains a faint image of a mountain range. The text 'Seefeld, 3-6 January 2013' is printed in white on this orange background.

# NANOMETA 2013

4<sup>th</sup> International Topical Meeting on Nanophotonics and Metamaterials

Seefeld, 3-6 January 2013

## BIOGRAPHY

**Vincent Bouchiat** is a senior scientist at Neel Institute of CNRS-Grenoble, leading a research team devoted to carbon-based hybrid optical, mechanical and electrical devices.

He has co-authored more than 50 papers which have been cited more than 1,200 times, as well as 3 patents and 3 book chapters. He was invited professor at UC Berkeley in 2007-2008.
